*
* the second vinyl release on tilt recordings also features
* two subtle pieces by Budoka from Darmstadt/Germany:
* "Schattenkrieger" starts as a funky tech roller with
* driving percussion and beat, stabs and melodic elements,
* then morphs into an angry, precise dancefloor smasher.
* the more stompy "Downwards" comes in with a shady intro,
* and drops after a disturbing bridge with a huge bassline
* that will definitely satisfy both, jump up and tech heads.
* with it's steady build-up, subtle vocals and breath sound
* it keeps the listeners attention until it breaks into the
* second drop, leaving no prisoners.
*
* next release: TILT003 (coming soon)
